

THE AMERICAN School of Bangkok

Accredited by WASC

Official online newsletter for The American School of Bangkok

ISSUE 1 / JUNE 2009

Welcome

Welcome to our first ASB e-newsletter.

Welcome to The American School Of Bangkok's first e-newsletter. We are all very much aware of the importance of communication in our fast paced world; however, we often loose track of time and thus miss communicating important messages. Our ASB e-newsletter which we plan to publish every two months, is one way we will communicate key messages to you. In the e-news letter you will find news, upcoming events, and much more. We are very pleased to announce our upcoming promotions for fall 2009 as part of our 25th anniversary celebrations. Find out more about these promotions in the "Early bird discount section". To find out more about our school and the exciting programs we offer, read on!

Until Next time.

Principal's message

Welcome to the American School of Bangkok We offer a variety of exciting opportunities that allow all children to develop to their full potential in many areas. Our rigorous academic program, complemented by athletic and artistic activities, culminate in a well rounded education for all students. Our American curriculum with an international perspective, supported by opportunities for advanced placement courses, affords students an excellent education that will allow them access to universities around the world. We are especially proud of our Expected School Wide Learning Results (E.S.W.L.R.'s) which are incorporated into all aspects of our program to ensure that our students are critical thinkers, world class citizens, independent learners and effective communicators. Our students are truly prepared to meet the challenges of today's world Why not become part of our exciting educational community today and provide your children with the best learning opportunities they could possibly have? We look forward to having you aboard!

Mr. Simon Faulkner
Principal
(Sukhumvit Campus)

Hot News

ASB leads Thailand into the Hong Kong Polytechnic University Innovation and Entrepreneurship Competition.

Bangna's business students joined a competition for secondary and university students who are creative and have business finesse. Their goal was to create a business plan that is innovative to attract venture capitalists who may be interested in the plan. The ASB BEAN INC. submitted their plan to the contest, and through a rigorous elimination cycle, have managed to reach the semi-finals of this competition!

As a result, they have received all paid flights and accommodation at the university to attend the Final Round taking place in Hong Kong from the 3rd to 9th of June. Our ASB Bangna Business team is the only team from Thailand to place in this competition.

We are down to the final 30 schools to place out of several hundred who applied.

Way to go, ASB Bangna Business Team!

The students attending and competing (under the guidance of Mr. Wayne) are:
Da Bin Lee, grade 11
Mariel Pandaan, grade 11
Ah Young Jeong, grade 12
Htet Htet Pye (Justin), grade 12
Veeraya Rattanaworapip (Ying), grade 12

What's cooking at ASB?
